

Traffic Management and Parking

Getting There

It is important that customers attending the Green Day Concert at The John Smith's Stadium are aware of the traffic management plan in place so they can make appropriate travel arrangements to ensure their journey to and from the Stadium is as easy and trouble-free as possible.

The John Smith's Stadium is well signposted from the M62 and M1 Motorways and also on the major road networks around the Stadium. Our postcode for Sat Nav is HD1 6PG.

Exit the M62 at Junction 25 and take the first exit at the roundabout onto the A644 (Wakefield Road). After approximately 1 mile, at the roundabout junction of the A62, turn right taking the second exit onto the A62 towards Huddersfield (Leeds Road), then follow the signs for the Stadium.

M1 North/Southbound

Exit the M1 at Junction 42 and continue west on the M62. Exit the M62 at Junction 25 and take the first exit at the roundabout onto the A644 (Wakefield Road). Please allow enough time to travel and find a suitable car park bearing in mind that in excess of 32,000 fans are expected to attend the Concert.
